Dear Ms. Doe,

Thank you for taking the time to meet with our team last week. It was a pleasure to learn more about Contoso's plans for the coming year, and we are excited about the opportunity to support your operations with our products and services.

As discussed, we have prepared an initial proposal covering equipment supply, onboarding, and a twelve-month support plan. Our goal is to make the transition as smooth as possible, with a dedicated account manager available to your team throughout the engagement. We are confident that the arrangement will deliver clear value while remaining flexible enough to adapt as your needs evolve.

Please find the detailed quotation enclosed. We would be glad to walk you through it at your convenience and to answer any questions that may arise. If the terms meet with your approval, we can begin onboarding within two weeks of a signed agreement.

Sincerely,

John Smith

Account Manager, Fabrikam, Inc.
